

# **Come Join Us!**

## **Community Governance and Community Policing Program**

**How your community can work better to address the concerns of residents, city government and law enforcement.**

Participants in this two evening event will learn to develop community partnerships and practice problem solving skills that will help the neighborhoods, the city, and police address priority problems and become stronger partners in the fight against crime, disorder, and blight.

Come learn about the Reading Police Department's effort in Community Problem Oriented Policing and how you can help!

*Each session is only two hours.*

*Please take the time to help your community*

### **Dates:**

**Thursday, October 16 and Thursday, October 30  
from 6:30 PM to 8:30 PM**
